TAKE THE SEALIFE STEWARDSHIP PLEDGE

I, _____, do hereby solemnly pledge to be a good steward of the marine environment. This means that I will:

1. Listen to lead explorers both in the classroom and in the field
2. Walk on the beach with care to avoid hurting myself, others, and marine life
3. Treat all marine life with care and respect
4. Use only wet hands to gently touch animals that I find
5. Leave creatures attached to rocks because attempting to remove them can hurt them
6. Not hold any marine life out of the water for more than one minute
7. Leave no boulder overturned; I will carefully replace all rocks that I look under and I will only turn over rocks that are smaller than my head.
8. Return all organisms to their homes or where I found them
